Notice of Motion and Motion to Compel Performance Under Settlement Agreement

### **Summary (Continued):**

Louis Brosi, Jr.'s Opposition filed 4-28-11 states new issues have arisen since settlement:

- In addition to the partition, the settlement required that Petitioner's parcel would secure three deeds of trust with interest only payable quarterly by Petitioner and all due in five years, including:
  - Note secured by 1<sup>st</sup> deed of trust payable to Louis Brosi III for \$117,000.00
  - Note secured by 2<sup>nd</sup> deed of trust payable to Louis Brosi, Sr., and Doris Brosi for \$50,000.00
  - Note secured by 3<sup>rd</sup> deed of trust payable to Louis Brosi III for 1/3 of the partition costs, capped at \$30,000.00. (Louis Brosi III was to front the costs for the parcel maps.)
- Petitioner has failed to make payments on any of the notes to date.
- Respondent is informed and believes that Louis Brosi III does not have the financial ability to front the costs as originally anticipated.
- The \$30,000.00 cap on Petitioner's note for 1/3 of the cost of the maps is insufficient to cover her 1/3 share.
- There are required use easements and road and other public dedications along Chestnut that should be excluded from the gross parcel prior to determining the size of each of the three parcels.
- The trust has no funds and no income. Louis Brosi, Jr., and his wife Susan Brosi have been advancing personal funds annually, and Louis Brosi, Jr., is not receiving trustee fees for administering the trust.

Respondent concludes that based on Petitioner's non-performance and non-compliance with this court's order, her motion to compel should be denied.

Respondent requests the court order mediation to resolve the details of the new issues.

## 3 Thomas Eugene Brosi (Estate)

Case No. 08CEPR00559

Atty Franco, Paul C. (for Louis C. Brosi, III – Brother – Administrator)

Atty Schneider, David D. (for Creditor McKenzie Farms, LLC – Objector)

Amended First and Final Account, Report of Administrator and Petition for Dismissal of Probate Proceeding

#### **SUMMARY (Continued):**

- The corporation was involved in litigation to recover assets that were allegedly taken from the corporation. Minimal property was recovered. Further, the corporation was audited by the State Board of Equalization and charged \$142,991.59 for unpaid sales tax. "In any event, the corporation is insolvent and does not anticipate the recovery of any significant assets which would change this."
- The Decedent's truck was returned to the creditor, Ford Motor Company, to resolve that debt. Other finance creditors had their property returned to them, such as bobcats and tractors, to satisfy their claims.
- No assets remain and accounting has been waived by the beneficiaries.

Petitioner prays for an Order that the probate be dismissed in its entirety.

Notice of Pendency of Action filed 6-20-11 by Attorney General Kamala Harris states that on 6-13-11, the California State Board of Equalization filed a complaint on the Creditor's Claim after its rejection in this probate case as Fresno Superior Court Case 11CECG02043. There is a court date in that matter set for 10-24-11.

12-8-11 Examiner notes that it appears this matter has been dismissed. Need verification.

Minute Order 10-18-11: Mr. Franco informs the Court that Mr. Abrams will be substituting out as counsel. Mr. Franco further advises that Mr. Zangle is out of the country. The Court continues the matter to 12/15/11 and vacates the 11/14/11 hearing date. Continued to 12/15/11.

#### 1. C.C.P. 580b reads:

- No deficiency judgment shall lie in any event after a sale of real property or an estate for years therein for failure of the purchaser to complete his or her contract of sale, or under a deed of trust or mortgage given to the vendor to secure payment of the balance of the purchase price of that real property or estate for years therein, or under a deed of trust or mortgage on a dwelling for not more than four families given to a lender to secure repayment of a loan which was in fact used to pay all or part of the purchase price of that dwelling occupied, entirely or in part, by the purchaser.
- Where both a chattel mortgage and a deed of trust or mortgage have been given to secure payment of the
